

Convenient Accessible Parking Spaces in the Commons Drive Garage

If your vehicle has an accessible placard or license plate and you need convenient parking on the UMBC campus, consider the Commons Drive Garage.

22 accessible parking spaces have recently been relocated to the lowest level and routes and exits leading out from the garage have been improved. This garage provides convenient access to The Commons, the Interdisciplinary Life Sciences Building (ILSB), the Physics Building, and the academic core via the Quad.

The blue dotted paths on the map to the right represent accessible routes near the garage and the blue triangles represent accessible building entrances. See for yourself how convenient this garage is.
