

**Are you interested in community-engaged art? Are you interested in learning from artists and curators doing research in and about cities like Baltimore?**

**Seminar in American Signs: Place-Based Artistic Research will undertake field work and field trips to learn with and among artists, curators and cultural producers in and around Baltimore. CADVC artist residents will work with students on individual place-based artistic research projects. Spring, 2024, Tuesdays: 4:30-7pm. Offered to undergraduate and graduate students as **AMST430/680 or ART329/691****

**Questions? Contact Dr. Rebecca Uchill [ruchill@umbc.edu](mailto:ruchill@umbc.edu)**
