

Howard County Historical Society Internship Program

An internship is a learning experience related to the career goals of a student. Interns may be college or university students, high school students, or post-graduate adults. Students can use our internship program to determine if they have an interest in a particular career path related to history (museum, collections, curator, accessioning, research, libraries, etc.). They may also use our program to create a network of contacts or to gain school credit. The Howard County Historical Society offers limited internships to assist students in meeting their career goals and to assist our mission of collecting and preserving the county's rich history.

Our internship programs are unpaid. We require a completed application form along with an attached resume. We also require a face-to-face interview with one of our volunteer coordinators to ensure the student's goals and the historical society's goals are aligned.

- Students must complete the HCHS Internship Application
- Students need to contact HCHS and request an interview with a Volunteer Coordinator
- Students should have sufficient background and maturity to learn from the experience
- Students must have a resume prepared and submitted with the completed application
- Students should submit a copy of their school's internship requirements to HCHS
- Students should have at least a 2.7 overall GPA
- High School Students must be a junior or at least 17 years old
- Students must be able to provide their own transportation
