

UMBC  
Department of Biological Sciences  
Ph.D. Dissertation Seminar

**Archana Hari**

Ph.D. Candidate  
Biological Sciences Program

*“Novel systems biology  
methods for the analysis,  
optimization, and visualization  
of kinetic and genome-scale  
stoichiometric models”*

Date: August 18, 2022

Webex

Time: 10:00 a.m.

Mentor: Daniel Lobo, Ph.D.
