

Applied Molecular Biology Master's Program (AMB)

The BIOL BS/MS Accelerated Program for UMBC Biology Undergraduates

This program allows UMBC graduates to transfer up to 12 undergraduate credits that will count toward the 30 credits needed for the MS degree. These classes include: BIOL 430 (or CHEM 437), BIOL 426, BIOL 412, BIOL 414, and BIOL 455.

Earn your Master's in AMB for 40% less tuition by planning ahead!

When: Monday, February 26, 2024

Time: 12:00-1:00

Where: BS 120
