

UMBC
Department of Biological Sciences
Ph.D. Dissertation Seminar

Ashesh Sharma

Ph.D. Candidate
Molecular and Cell Biology Program

**“Modulating Size Distribution
of Multienzyme Glucosome
Condensates to Understand
Their Functional Contribution
to Cellular Redox
Homeostasis”**

Tuesday, July 28, 2026
Location: Meyerhoff 120

1:00-2:00 p.m.

Mentor: Songon An
