

Is graduate school for you?
Come to the
UMBC Biological Sciences Program
Open House to find out!

Time: 12-1pm November 9th, 2015

Place: UC 312, UMBC

Lunch provided

Did you know YOU can:

- be paid to earn a PhD?
- earn a Master's degree in less than one year?
- gain teaching experience along side of experts?
- work with internationally-recognized scientists?
- learn from biotech industry experts?
- get prepared for a variety of future jobs?

For any questions, please contact Melody Wright (melodyw@umbc.edu)
