

# The Department of Biological Sciences

**Brian Gregory**

Ph.D. Candidate

presents

a Ph.D. Dissertation Seminar

“Nucleolar stress: elucidating the cellular response mechanisms of *Saccharomyces cerevisiae* upon the repression of essential ribosomal protein synthesis”

Thursday, July 13, 2017

1:00-2:00pm

Biological Sciences Building

Room 004

Mentor: Lasse Lindahl, Ph.D.
