

**UMBC**  
**Department of Biological Sciences**  
**Visitor Seminar**

**Vincent Lee, Ph.D.**

Cell Biology and Molecular Genetics  
University of Maryland College Park

“Signaling nucleotides – receptors,  
intersection with RNA degradation  
and potential target of inhibition”

Wednesday, September 26, 2018

12:00pm-1:00pm

Biological Sciences Building

Room 004

**Host: Kathleen Cusick, Ph.D.**

**Visitors Welcome**

**For information call: 410-455-2261**
