

## Summer Program for Undergraduate Research

The Summer Program for Undergraduate Research (SPUR) offers mentored summer research fellowships in ongoing and impactful research in Life Sciences laboratories at the University of Oregon. We are very interested in enhancing the creativity, diversity, and talent of the next generation of life scientists in research communities and strongly encourage students from underrepresented groups to apply. The 2019 program will run from Sunday, June 16<sup>th</sup> – Friday, August 23<sup>rd</sup>.

*Applications for Summer 2019 are now open*

Visit [spur.uoregon.edu](http://spur.uoregon.edu) to learn more and apply
