# Darwinism

## The Evolutionary Perspective

TuTh 10:00am-11:15 am  
online, weekly synchronous meeting on  
Thursdays

Dr. Mirjam Voerkelius

Explore the ideas and implications of Darwin's work on evolution

Learn how Darwin's theory of evolution inspired painters and novelists

Consider the bitter controversies Darwinism sparked and how his work has been received in different national contexts, including Russia, Egypt, and the US
