

SC&H Group is excited to support the business incubator programs at bwtech@UMBC

Our Firm is committed to helping Maryland companies grow and succeed in business as we have for the past 20 years. Members of our team will be available to provide assistance to incubator companies located on site with professional tax accounting and reporting best practices, business planning and profitability, and strategic growth advisement.

As part of our partnership with UMBC, SC&H Group offers office hours on site the last Tuesday of every month exclusively for bwtech incubator companies, providing access to top-tier accounting and management professionals to assist and advise you on current business needs, and future goals.

Topics and areas of SC&H Group expertise that might interest you include:
