

Rising Stars Symposium

Broadening Participation in the Biomedical Sciences

Rising Stars in the biomedical sciences will be invited to give an in-person,* oral presentation and learn about postdoctoral opportunities at Sanford Burnham Prebys. Travel, lodging and meals will be paid for by Sanford Burnham Prebys.

APPLY ONLINE: sbpdiscovery.org/risingstars

* Subject to change in accordance with COVID-19 restrictions

**Sanford
Burnham
Prebys**

We are excited to share a valuable career and professional development opportunity. This event will showcase the biomedical research of exceptional scholars, including:

- Late-stage doctoral students who are less than two years from completing their Ph.D. program
- Early-stage postdoctoral scholars who are no more than two years post-degree

Dates

April 27-29, 2022

Location

Sanford Burnham
Prebys
San Diego, CA

Application Deadline

February 28, 2022

The Event

Selected scholars will be invited to:

- Present research in an oral format
- Network with other students, postdoctoral fellows and faculty
- Attend a reception to celebrate diversity and science
- Participate in a professional development session
- Tour laboratories and core facilities
- Meet with faculty to learn about available postdoctoral opportunities at our Institute

DIVERSITY, EQUITY, INCLUSION
SANFORD BURNHAM PREBYS

This event is hosted by the Diversity, Equity and Inclusion (DEI) Recruiting Committee. We strive to create an inclusive workforce through hiring practices and recruitment and retention strategies that are equitable and result in increased representation.

Better Scientists > Better Research > Better Life™

Diversity Initiative

Scholars from groups underrepresented in the sciences are strongly encouraged to apply.

Application

Through our online application portal, Rising Stars Symposium candidates will:

- Complete the online application that includes a brief diversity statement
- Submit a CV
- Provide the contact information of the principal investigator, research advisor or mentor who can serve as a reference

Visit sbpdiscovery.org/risingstars to apply.

Selections

Selected scholars will be notified by March 8, 2022, and will have a week to confirm participation.

Sanford Burnham Prebys is a preeminent, independent biomedical research institute dedicated to understanding human biology and disease and advancing scientific discoveries to profoundly impact human health.

A commitment to diversity and inclusion has been fundamental to our organization since its inception.

We celebrate differences and recognize that when unique perspectives come together, it adds a richness and creativity to our work that catalyzes innovation, and fuels discovery.

We are proud to be an equal opportunity workplace and affirmative action employer. We welcome talented individuals of all backgrounds cultures, values, beliefs and experiences, regardless of race, color, religion, sex, sexual orientation, gender, gender expression, marital status, national origin, ancestry, age, disability, medical condition, genetic information, military or veteran status, or other.
