10 am – 5 pm ET

October 11 – 12, 2022

Internships, co-ops,
job opportunities

October 13, 2022

Graduate and education
programs

NIIMBL is excited to host a virtual career and grad school fair on October 11 - 13, 2022. Hosted on the Career Fair Plus platform, this broad-reaching event will connect the biopharmaceutical industry to both new and experienced talent through 1-on-1 and group sessions.

Our first event in February 2022 was a resounding success with over 2000+ one-on-one meetings held with 600 candidates from 122 academic institutions.

Interested employers, students, and professionals should act quickly as appointment blocks will fill quickly.
