

## STEM SPEED NETWORKING

**CONNECT, LEARN, AND EXPLORE TOGETHER!** 

Celebrate National STEM (Science, Technology, Engineering, and Mathematics) Day through a virtual speed networking event. STEM fields are at the core of many of the fastest-growing careers, and this event provides the opportunity to engage with multiple professionals in STEM careers in a short amount of time.

10:00 AM - 12:00 PM 08 November 2024

**Virtual** 

## What to Expect:

Hosted by EPA and USGS in conjunction with UMBC through their Memorandum of Understanding (MOU).
