

GE Uncovered: Early Career Roundtable

Join us for **GE Uncovered: Early Career Roundtable**, during which you will hear directly from employees who interned and started working for GE after graduation. In this panel discussion, you will learn what to expect during the recruiting process, what life is like at GE, and tips on how to prepare for your job search.

During the 45-minute webinar, you'll get to ask questions and get a behind-the-scenes glimpse on topics such as:

- What to expect during the recruiting process
- What it's like to start your career at GE
- What kinds of opportunities are at GE for engineering majors, business students, and others
- Tips on how to prepare for your job search

...and more!

Wednesday, August 5th
5:30 - 6:15 p.m. ET

Virtual Event

Hosted by
