Advancing Black Pathways Fellowship Program

The Advancing Black Pathways Fellowship Program offers a six-week paid, full-time summer fellowship held in selected JPMorgan Chase & Co. offices during the summer months for undergraduate sophomores, particularly students that self-identify as Black. This fellowship opportunity will provide students with hands-on experience, mentorship and a project-based curriculum to help develop professional development skills and establish a pathway to future opportunities. During the Program, participants will also have the ability to experience a deep dive into one of JPMC's Lines of Business or firmwide functions:

- **Asset & Wealth Management**
- **Commercial Banking**
- **Corporate & Investment Bank**
- **Consumer & Community Banking (Financial Advisor Development Track)**
- **Corporate & General Management**
- **Software Engineering**

Want to learn more before applying? Register for the info session listed below and mark your calendars! After you register to the info session and if you meet the minimum qualifications, you will receive a confirmation email.
