NAVIGATING THE CAREER FAIR

Do your research. Learn who is participating in the career fair and create a list of organizations that interest you. Then research their products/services and employment needs. In addition to looking at the **list of employers by alpha** (starting below), there is also a **list of employers by college** on the last 4 pages of this directory.

Be prepared. You should have several copies of your resume handy and have easy access to them.

Having an attractive pen and portfolio isn't a bad idea either.

Dress to impress. Show employers you are serious by dressing professionally.

Use your 30-second commercial. See the section below on how to craft your 30-second commercial.

Network. Don't limit your interactions to just recruiters. Talk to fellow job seekers at the event about different employers, possible job openings and more.

Follow up. Make sure to follow up with anyone you talked to at the fair, through email within 24 hours. Asking for business cards makes this a lot easier. After the fair, you should also consider connecting with recruiters through LinkedIn.

CRAFTING YOUR 30-SECOND COMMERCIAL

When meeting new individuals in a professional setting, like networking events and career fairs, it is important to make a strong first impression. Through your professional pitch, also referred to as a 30-second commercial, you should be able to quickly and effectively market yourself to others.

YOUR 30-SECOND COMMERCIAL SHOULD:

- Identify who you are
- Highlight a few strengths and accomplishments
- Show how you can bring added value to an organization
- Be concise

For a sample 30-second commercial and additional tips, scan the QR code or visit:
<https://careers.umbc.edu/students/network/networking101/30-second-commercial/>

EMPLOYERS BY ALPHA

Aberdeen Test Center (Civilian Careers) (Booth: 90)

First-Year Friendly

Representative(s): Kristen Van Emden, Jonathan Mccalve, Fred Scriba, James Clerkin, John Whitt

Make a Difference in Children's Lives Today

Join Kennedy Krieger Institute's Neurobehavioral Team as a Clinical Assistant

Help children with intellectual and developmental disabilities and severe behavioral challenges while working in a supportive team environment with great benefits!

We're seeking talented, ambitious and compassionate people to join our team. You'll have quick opportunities for advancement, receive professional training and have great benefits. Flexible full-time and part-time work schedules are available days, nights and weekends.

Responsibilities:

- Provide hands-on care to children, teens and young adults diagnosed with autism spectrum disorder and/or intellectual disabilities who also have severe and challenging behaviors
- Assist with activities of daily living (e.g., toileting, feeding and bathing)
- Learn about and help collect data for assessment and treatment purposes

Benefits:

- Full- and part-time opportunities for both degreed (BA/S) and non-degreed (high school diploma, GED, AA) candidates
- Flexible work schedules that can accommodate student classes
- Competitive entry-level starting pay (\$17–18/hour), with a \$2/hour raise upon completion of RBT coursework
- Opportunities for professional career advancement
- Tuition reimbursement
- Medical and dental insurance
- 401(k) retirement plan with employer contributions available
- Paid leave
- Discounted MTA passes and Live Near Your Work benefits
- Free parking

We are Building a Better Environment!

Ulliman Schutte Construction specializes in the construction of environmental infrastructure projects like water and wastewater treatment plants, pump stations, and pipelines!

-  Project Engineering Co-ops
-  Field Engineering Co-ops
-  Preconstruction Engineering Co-ops

We are Building a Better Environment on active construction project sites in Baltimore, Washington D.C., greater Maryland and Virginia, and more! We frequently self-perform our own excavations and trenching, shoring systems, pipe-laying, concrete formwork and placement, interior mechanical piping, water treatment plant equipment installations, millwright work, cranes and rigging, carpentry, survey/layout and more. **There is no better place to learn construction and engineering than in a fast-paced and challenging work environment like ours! Come learn with US, grow with US, and make a difference with US!**

Why work with US? Our teams serve local communities by constructing the projects that millions of people depend on for clean water now and for decades to come. Our engineers take on significant responsibility – no coffee runs or copy machines here. **The majority our full-time engineers and managers initially started with US through our internship/co-op program, so we know what it's like to be in your boots – and are committed to your success!**

We offer industry-leading compensation, provide furnished housing for all co-op/intern students at every jobsite location, reimburse all travel expenses, and more!

Email your resume to YourCareer@ullimanschutte.com to apply today!

Retrievers Connect is a networking platform for the UMBC community.

Designed specifically to support and facilitate connections between UMBC students and alumni, this collaboration between UMBC's Alumni Engagement and Career Center teams launched in early 2021. All members of the UMBC community can use Retrievers Connect, including alumni, faculty, staff, students, as well as invited UMBC friends & partners.

Interested in getting involved? Members of Retrievers Connect can reach out to each other for career advice or to (re)connect around a shared interest in a couple of ways. Alumni can reach out to each other, and students have the opportunity to reach out to alumni either one on one, on the general discussion board, or in affinity and industry groups.

Join today to offer or receive career advice from connections, post a job or internship experience, expand your professional network, or connect with other alumni by region or industry.
