

CNMS Advising's URCAD Scavenger Hunt

Make sure that you get your URCAD XXX pin and wear it proudly!

Locate some of the schedule/agenda stations and write down at least two events you would want to participate in this (or next) year (i.e. keynote speech, etc):

Find the gong!?!

Attend a concert where two of your BIOL professors rock out!

Pick up a copy of the UMBC Review (UMBC's undergraduate research publication).

Take a selfie with the URCAD backdrop along with some of the props.

Find at least three posters you are interested in that are in your department/field of interest:

Take note of at least two faculty members who supported research in your department:

Find at least two posters you are interested in that are outside of your immediate department/field of interest:

Find some of the photography presentations and take note of your favorite one.

Grab some refreshments and reflect on the event. Final thoughts? Things to keep in mind for next time? Research ideas?

Flip over for helpful QR codes and links for undergraduate research, the UMBC Review, and more!
