AT SHADY GROVE

PRESENTED BY UMBC'S MECHANICAL ENGINEERING PROGRAM

DESIGN. BUILD. DISCOVER.

Explore Mechanical Engineering at UMBC.

Tuesday, November 10, 2026
6:00 – 7:00 PM | In-Person Event

The Universities at Shady Grove | Rockville, MD

Biomedical Sciences and Engineering (BSE) Education Facility (Building IV)

Join us in-person for an interactive look into our Mechanical Engineering undergraduate program.

You'll tour our state-of-the-art lab spaces, connect with faculty and staff—including Program Director Adam Bridendolph—and experience a live simulation where current students showcase a real-world engineering project.

Secure your spot. RSVP today.
