

UMBC

AN HONORS UNIVERSITY IN MARYLAND

The College of Engineering and Information Technology (COEIT) and UMBC are dedicated to research, innovation, and education. The College works in partnership with state and federal agencies and industry to promote the transfer of research applications that benefit society. We distinguish ourselves by our continued commitment to cross-disciplinary research and education. We provide outstanding education opportunities to undergraduate students in Chemical Engineering, Computer Engineering, Mechanical Engineering, Computer science, Business Technology Administration, and Information Systems.

COMMON SCHOLARSHIP APPLICATION 2014-2015

This Common Scholarship Application may be used to apply for one or more scholarships offered to students pursuing a major in the College of Engineering and Information Technology at UMBC.

Application Instructions

1. Please read all directions carefully. Refer to the scholarship descriptions listed on Pages 3 & 4 to review the specific eligibility requirements for each scholarship. Scholarships noting required Sophomore, Junior, or Senior status refer to the student's academic standing at the start of the Fall 2014 semester.
2. In order to process your application, we must receive the following materials:
 - Common Scholarship Application Form
 - Personal Statement
 - Resume
 - 2014-2015 FAFSA must be on file with UMBC Office of Financial Aid and Scholarships to be considered for scholarships that list financial need as a requirement.
3. Submit completed application to:
coeitscholarships@umbc.edu or in person to:

College of Engineering & Information Technology
Office of the Dean
1000 Hilltop Circle, ITE 217
Baltimore, MD 21250

Please submit applications by February 14, 2014 for priority consideration.
