

ARTWORK SUBMISSION FORM

The *Art Week 2012* Showcase will span both of The Commons' Galleries (Mezzanine & 2nd Floor) as well as Lower Flat Tuesdays and The Commons Mainstreet. All motion work will be shown on the screens in Lower Flat Tuesdays, with the possibility of other spaces (details pending.)

Please complete this form (both the upper and lower portions) and submit it with your work to *commonvision: Design & Print Center*, located in the Mainstreet Lounge to the right of the Bookstore in The Commons. If you are submitting multiple pieces, you will need to fill out a form for each for labeling purposes. Unless stated otherwise, all work – whether it is in physical or digital form – should be submitted in person to *commonvision* during normal business hours.

Art Week 2012 is a celebration of the arts on campus, including fine arts, performance, music, film, animation, sculpture, and everything in between. There is no shortage of creativity on our campus, and we are truly pleased to have the opportunity to share these forms of expression at UMBC.

We invite you to visit the 2nd Floor & Mezzanine Galleries in The Commons to see works of art created by members of the UMBC community and we look forward to seeing you at one or more of the *Art Week 2012* events.
