

# WE SPEAK FOR OURSELVES HOW WOKE CULTURE PROHIBITS PROGRESS

Aurthor's visit supported by: Hrabowski Grant, Sondheim Scholars Program, Shriver Peaceworkers Program, The Dresher Center, Shriver Center, Center for Social Science Scholarship, Division of Professional Studies, UMBC Community Leadership Program, and Truth, Racial Healing, and Transformation.

## Meet D. Watkins

Promoting youth literacy through storytelling and narrative change.

**Date: April 6, 2022, 4:30p.m.**

Join us in a student-led discussion with the author.

Via Zoom:

### Also, participate in our Multi-modal Essay contest

This Spring semester we will be featuring two categories in our bi-annual creative contest: our traditional essay contest and a new media (or multimedia) creative contest. It's time to get creative; write an essay, shoot a video, write a poem, write a song, etc... share the impact this book had on you!
