Corporate and Foundation Relations (CFR) Active Prospect List
(Updated September 2019)

The following corporations and foundations are active prospects assigned to a gift officer in the Office of Institutional Advancement. Most of the prospects listed below are either already engaged with UMBC, actively being cultivated, or are connected to the President's Board of Visitors. It is important that they do not receive unsolicited proposals or inquiries.

While it is helpful to know about proposals going to any corporation or foundation (regardless of dollar amount), the following relationships are the most critical to UMBC. **Please inform the CFR team if any faculty or staff member asks to approach one of these prospects.**
