

## 2019 CWIT Speaker Series

*in celebration of our 20th birthday, the Center for Women in Technology presents the following series of talks by women who embody our mission to increase the participation and success of women and other underrepresented groups in computing and engineering fields!*

### **Dr. Taj Carson** **CEO & Founder of Inciter**

Join us for a fireside chat with Dr. Carson where she will share about her story of becoming a female tech entrepreneur and facilitate an interactive dialogue about ways to successfully navigate the expectations and norms in technology industries.

**\*\*Heavy hors d'oeuvres will be served.\*\***

**Date: March 25th, 2019**

Time: 5:30pm - 6:30pm

Location: AOK Library Gallery

RSVP: <https://my3.my.umbc.edu/groups/cwitaffiliates/events/69441>

### **Dr. Nicki Washington** **Computer Scientist & Professor**

Join us for a keynote and book-signing with Dr. Washington where she will discuss her path to computing and share strategies for overcoming the "fear of the unknown" to successfully chart one's unique path in this ever-growing field that's still in dire need of diversity. **\*\*Buffet lunch will be served.\*\***

**Date: April 24th, 2019**

Time: 12pm - 12:50pm

Location: ITE 456 talk; ITE 452 book signing

RSVP: <https://my3.my.umbc.edu/groups/cwitaffiliates/events/69624>

### **Zozscha Bomhardt** **Mechanical Engineer & UMBC Alumna**

Join us for a fireside chat with Ms. Bomhardt where she will speak about how she found her way as an undergraduate student in mechanical engineering and navigated her career path through three distinct industries as a professional engineer in Corporate America. **\*\*Heavy hors d'oeuvres will be served.\*\***

**Date: May 6th, 2019**

Time: 5:30pm - 6:30pm

Location: UC 310

RSVP: <https://my3.my.umbc.edu/groups/cwitaffiliates/events/69626>
