

Center for Women in Technology IMPACT WORKSHOPS SERIES

Feb 14th, 2020 *at* 12PM-1PM *in* ITE 456

IN THE SHOES OF A HIRING MANAGER

Presented by: Career Center

This interactive workshop will allow students to go through the hiring process as if they are on a search committee. Students will review candidate resumes, select candidates to interview, critique the interview process, make an offer, and then negotiate. This insider perspective on the hiring process will allow students to think about the stages of acquiring a job in a whole new light.
