# INVESTMENT MANAGEMENT CAREER DAY

Friday, November 19th, 1:00 - 2:30 pm

Please Join [CFA Society Baltimore](#) for a virtual career day event. Students will hear from numerous professionals in the investment management industry who will explain their careers and what they do on a day-to-day basis, have an opportunity to attend breakout sessions to ask more in-depth questions, and learn more about the CFA Institute and CFA Society Baltimore. This event is open to university students of all levels but will be focused on freshman and sophomore students who are early in the exploratory phase of their college careers and eager to learn about the investment management industry.

Professionals you will hear from:

- Director of Investment Operations
  - Private Wealth Manager
- Institutional Sales and Relationship Management
  - Director, Business Development
  - Associate and Senior Analysts
