Dr. Brian Souders
Fulbright and English
Language Fellow
Advisor

The Fulbright U.S. Student Program gives talented UMBC undergraduate and graduate students the opportunity to conduct research or teach English in more than 140 countries throughout the world. This merit-based scholarship program offers an exciting opportunity to represent the United States and further your academic and professional goals.

Dr. Brian Souders, UMBC's Associate Director for Global Engagement and instructor in the TESOL MA program will host this information session on Wednesday, April 26 at 7:30 pm. Come learn more about the program, the application process and UMBC's support system for applicants for this life-changing international experience

Dr. Brian Souders, a UMBC TESOL MA alumnus (2019), has worked with hundreds of UMBC students on their applications for Fulbright and other prestigious scholarships. He has also served on the executive board of the National Association of Fellowship Advisors, the professional organization of fellowship advisors. He attended two intensive Russian-language study programs in Moscow, and worked for a year in Tallinn, Estonia as a research affiliate with the Estoniana Academy of Sciences under the auspices of the Foreign Language and Area Studies (FLAS) graduate fellowship program.
