Education Research Seminar Series

Fall 2026 Program

October 7 | 1:00-3:00pm | Sherman Hall Fourth Floor
Launch of the UMBC School of Education: Open House and Ribbon Cutting Ceremony

November 4 | 12:00-1:00pm | Sherman 445
"A Linguistically-Informed, Multi-Domain Framework for Analyzing Reflection"
Kerrie Kephart (UMBC, Faculty Development Center)

December 2 | 12:00-1:00pm | Sherman 445
"On Beyond Clicks: Turning Signal into Scaffold"
Tom Penniston (UMBC, Division of Information Technology)

The seminar is an interdisciplinary space to discuss innovative research in the field of education, broadly conceived. Anyone from departments and units across UMBC, other institutions, and the wider community are welcome. Lunch is provided by the school. Registration is required. Details about each session will be posted on the school's [myUMBC](https://myUMBC.edu) page.
