

## Summer Internship, Independent Study & Field Experience Opportunities

**ESF (Education, Sports and Fun)** has been a pioneering force in summer day camps since 1982. Our people and programs have had a profound impact on children by building life skills through a dynamic staff, high-quality programs, premier locations, time-honored traditions and commitment to safety and FUN! We seek energetic, creative and outgoing individuals for paid summer opportunities teaching, mentoring and coaching children (ages 3-14) this summer.

### THE VALUE OF THE ESF EXPERIENCE

- Extensive training and experience with behavior management, health & safety, crisis management, leadership development, and teaching & coaching children.
- Consistent daily schedule, Monday-Friday, weekends off. Typically 35+ hours per week for 8-9 weeks (excluding July 4 holiday).
- Working in a structured environment with education-based activities, including science, art, technology, theater, as well as sports and aquatics.
- Reimbursement offered for position-specific training (i.e. Lifeguarding).
- Mentoring by ESF's summer leadership team who are professionals in education and other related fields.
- Formal goal-based evaluation process with feedback on performance.
- Professional networking and resume building.
- A chance to make a difference in the life of a child.

ESF works with the student and faculty member to fulfill specific requirements as needed for the student's particular program, degree, or course.

We offer paid summer jobs and Internship, Independent Study and Field Experience opportunities at our camp locations in:
