Presents

THE RAYMOND V. HAYSBERT, SR. ENTREPRENEURSHIP LECTURE SERIES

Transformational Leadership: How to Build Teams that Win in any Technology Business

There is no greater thrill than winning as a team. That can only be accomplished if you are able to assemble the players, create a winning game plan and successfully execute the plays. Accomplishing this in dynamic high tech businesses, where change is constant, is incredibly exciting and rewarding. This session will explore building teams, small or large, that win in high tech business.

Don't miss this opportunity to meet and learn from a very experienced and successful alumni entrepreneur!

**October 20, 2021
Noon - 1 p.m.
To Be Held Virtually**

The Raymond V. Haysbert, Sr. Entrepreneurship Lecture Series provides a platform for successful entrepreneurs to candidly share their experiences and insights with UMBC students, faculty, alumni and the Baltimore business community. The series highlights experiences, lessons learned and unique issues and challenges faced by entrepreneurs in the creation of a new enterprise.
