

# IDEA PITCH DAY

---

**OCTOBER 2ND**

**11:30-1:00 PM IN COMMONS 331**

---

This event is a great time to get feedback on your idea or existing business and find other students that might be interested in helping you as well as learning more about the Idea and Innovation Challenge.

This is the perfect opportunity for students who want to enter the competition to informally pitch their idea to an audience as a way to receive feedback in a casual, relaxed setting.

If you aren't sure you're ready to submit an idea, that's OK! This event is a great time to get feedback on your preliminary idea or existing business, and to find other students interested in helping you.

It will also give you a chance to learn more about the ABCEI's competitions and events.
