

IDEA PITCH DAY

OCTOBER 2ND

11:30-1:00 PM IN MEYERHOFF 120

This event is a great time to get feedback on your idea or existing business and find other students that might be interested in helping you as well as learning more about the Idea & Innovation Challenge.

This is the perfect opportunity for students who want to enter the competition to informally pitch their idea to an audience as a way to receive feedback in a casual, relaxed setting.

If you aren't sure you're ready to submit an idea, that's OK! This event is a great time to get feedback on your preliminary idea or existing business, and to find other students interested in helping you.

It will also give you a chance to learn more about the ABCEI's competitions and events.
