LET'S HEAR THEM!

Announcing UMBC's 4th annual Idea Competition!

Have an idea on how to change the world? Burning up with ideas to help the environment, society, business, your friends, social media or anything else you can dream up? UMBC wants to give you \$750 for telling us your idea!

The UMBC Idea competition is designed to challenge you to think about problems facing society and what you can do to help.

Entering is easy! Go to www.umbc.edu/ideacomp to enter your idea before **March 13th at 5 p.m.** Ideas can be inspired by a new product or service that:

- meets a need in the marketplace or improves society
- improves the UMBC campus
- engages more people in the arts and humanities
- is part of a research project with commercial applications
- is currently part of another class or team project

This is your chance to use your idea to win some cash! The top entries will be judged, live, by a panel of professionals and alumni along with a crowd of students at the final competition on April 18th.
