

Bridges to Biotech Event

October 17, 2024

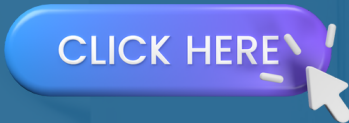

1:00-3:15pm

UMB BioPark - Invent/Advance Room - 1st Floor
801 West Baltimore Street
Baltimore Maryland 21201

The GPILS/Postdoc Office of Career and Professional Development, in partnership with the Career and Professional Development Office in the School of Pharmacy, Johns Hopkins University, University of Maryland, College Park, the NIH, and the Maryland Chamber of Commerce are excited to announce the first Bridges to Biotech Event with Illumina at the UMB BioPark on October 17th from 1:00-3:15. This is an opportunity for students and postdoctoral fellows to learn about Illumina and what it is like to work in an Industry setting.

Registration is first come, first serve basis, and we are limited to 10 spots for our students/postdocs. If you are interested and able to attend this event, please sign up here:

We will reach out to you to confirm if you have been accepted for this event.

AGENDA

- 1:00 – Welcome and Overview of Illumina
- 1:15 – Panel Presentation and Q&A
- 2:15 – Networking and Light Refreshments

UNIVERSITY of MARYLAND
SCHOOL OF MEDICINE
