

Getting Ready for Advanced Degrees Laboratory

The University of Maryland
Baltimore County is extremely
proud to host the GEM
GRAD Lab!

A fun event designed to inform and motivate students from underrepresented groups in STEM (Science, Technology, Engineering and Math) fields to understand the importance of a graduate degree. Students will learn how to successfully apply to graduate school and find funding opportunities. A panel of speakers will provide their insight and experiences on graduate school and beyond.

Who Should Attend: All STEM undergraduates (particularly Juniors and Seniors) and master's students considering pursuing a PhD.
