

# History student council

## INFO Meeting with PIZZA!

The word 'pizza' was first documented in 997 CE in Gaeta. Serving pizza at History Student Council meetings illustrates the way pizza has changed over time.

Therefore, attending the History Student Council and eating pizza counts as history research.<sup>1</sup>

Help create plans for field trips, talks, events, and be more involved with UMBC's History Department

**THURS., SEPT. 21, 2023**

**FINE ARTS NORTH 531**

**12:30pm-1:30pm**

<sup>1</sup> alas, though we are scholars, it doesn't count as *scholarly* history research.  
Just fun, delicious research.
