World history has been made by countless lesbian, gay, bisexual, transgender, and queer individuals—and you've never heard of many of them. Join us on June 15 to welcome Author Sarah Prager as she delves deep into the lives of 23 people who fought, created, and loved on their own terms. From Bayard Rustin and Sylvia Rivera to the trailblazing gender-ambiguous Queen of Sweden and bisexual blues singer Gertrude "Ma" Rainey who didn't make it into your history books, these astonishing true stories uncover a rich queer heritage that encompasses every culture, in every era. By turns hilarious and inspiring, the beautifully illustrated *Queer, There, and Everywhere* is for anyone who wants the real story of the queer rights movement.
