Join us on April 18, 2015 as Ryan & Friends will ban together to pull vines/ivy off trees, stack fallen limbs, feed limbs through a chipper, clear the trail of fallen winter debris and correct a drainage problem. Wear long sleeve shirts, long pants and boots. Bring gloves, rounded shovels, loppers, chainsaws, handsaws and clippers (write your name and phone number on tools). If you don't have these items, don't worry, CRTT can provide most of the tools and we have lots of gloves.

Lots of perks! All the water you can drink and Ledo pizza at 11:30. For more information, contact Maureen Sweeney Smith at 443-326-5474 or by e-mail at
