

GRAND CHALLENGE SCHOLARS PROGRAM

Engaging Students in Problems That Matter

MAKE THE CHANGES YOU WANT TO SEE

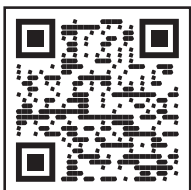

UMBC's Grand Challenge Scholars Program is designed for students from all majors who are interested in solving important societal problems.

The program fosters a vibrant interdisciplinary community to help tackle the National Academy of Engineering's (NAE) Grand Challenges, and gives students experiences and skills to create solutions to some of the most pressing challenges of the 21st century.

“ The program has helped me connect with other students at UMBC who wish to make an impact in both their community and the rest of the world.”

- Nicholas Simon

**DEADLINE FOR APPLICATION
MONDAY MAY 27**

**Join us Mon, May 13th for an
online information session
from 5 - 6 pm ([click here](#)).**
