Materials Needed

- Please bring your own laptop.
If you need to borrow a Chromebook, please let us know 48 hours before Day 1.
- Digital copies of your resources or access to previous course materials in *ExportFile* format.
- Two sandbox courses for each participant will be provided by instructional technology.

Challenge Activities

1. Working in pairs or quads, discuss converting vs. re-designing courses in Ultra. Complete worksheet. Return to group and share.
2. Working individually, use the provided worksheet to plan your course roadmap for working in Ultra. Return to group and share.
