

IMPACT: TECH RESEARCH & GRADUATE PROGRAM WORKSHOPS

PRIVACY AND SECURITY IN SOCIAL MEDIA AND SMART SYSTEMS

Facilitated by: Dr. Anupam Joshi

*Oros Family Professor and Chair of CSEE Department, UMBC
Director, UMBC Center for Cybersecurity*

This workshop will explore Privacy and Security issues in social media and "smart systems". We will explore it from a variety of perspectives, drawing on everything from McLuhan's theories to Supreme court judgements, to computer science techniques.

Date: April 26, 2019

Time: 12:00-12:50pm

Venue: ITE 456

**All are welcome – Women in COEIT are especially encouraged to attend!*

+Google Swag bags for first 20 students to arrive!

***Funded in part by Google exploreCSR Grant*

+Lunch will be provided!
