# GoldCoast IT Solutions

"Innovative People, Empowering Solutions"

## We Work for Your FUTURE

## Who We Are

Gold Coast IT Solutions (GCIT) is an Applications and Services company specializing in customer-centric enterprise solutions that help clients succeed in discovering, understanding, and retaining their customers. Our Solutions in the Big Data space and in the Java/J2EE technology realm are the best in the industry.

Our staff, mostly with US BIG 5 consulting backgrounds, offer a wide range of professional services in both business automation and technical innovation that strategically streamline our customers' required processes.
