UMBC Student Life's
Mosaic Center for
Culture and Diversity

From BlackLivesMatter.com:

“BLM is a chapter-based national organization working for the validity of Black life. We are working to (re)build the Black liberation movement.”

“When we say Black Lives Matter, we are broadening the conversation around state violence to include all of the ways in which Black people are intentionally left powerless at the hands of the state. We are talking about the ways in which Black lives are deprived of our basic human rights and dignity.”
