# THE MASK YOU LIVE IN

## Film Screening & Discussion

“Pressured by the media, their peer groups, and even the adults in their lives, our protagonists confront messages encouraging them to disconnect from their emotions, devalue authentic friendships, objectify women, and resolve conflicts through violence...

*“The Mask You Live In ultimately illustrates how we, as a society, can do better to raise a healthier generation of boys and young men.”*

**Thursday, February 25th 4:30-6:30pm**

**This 90-minute film screening will be held in the Women's Center and will be followed by a discussion on how messages about masculinity affect the UMBC community.**
