

Honoring the Women
of Wounded Knee

WARRIOR

WOMEN:

PROJECT EXHIBIT

Join us for a first look at the Warrior Women Project's traveling exhibit, which shares the stories of women who were on the ground during the occupation of Wounded Knee in 1973. Learn about the exhibit from Jessica Burstrem, Ph.D. Student, Language, Literacy & Culture, and watch never-before-seen oral history interviews from the women activists of the American Indian Movement (AIM).
