

## MONDAY, JANUARY 22<sup>ND</sup> TEACHING AND REACHING BLACK BOYS IN AMERICA: A CONVERSATION

University of Maryland Baltimore County welcomes activist-authors Dr. Eddie Moore Jr, Debby Irving, Vernā Myers, and Jack Hill for a discussion about the book, *The Guide for White Women Who Teach Black Boys*. White women make up 65% of the teaching force in America and can play a critical role in creating classrooms that are nurturing and challenging for black boys. Please participate in this important dialogue about developing skills that can optimize the success of all students.
