WRITING CENTER TIP

WRITTEN BY GSA WRITING CENTER ADVISOR MARIA COLE

Writing Tip: When writing a composition, don't add fillers. Short, direct, concise sentences are better than run-on unclear ones. More words donot equal more meaning!

RELATIONSHIP VIOLENCE AWARENESS MONTH

[Relationship Violence Awareness Month](#) (RVAM) brings people together to create and generate discussion and skill-building on how to prevent relationship violence in our schools, workplaces, and communities. This awareness month also carves out intentional moments to honor and believe survivors' stories and experiences.
