

2019 LSAMP FALL PROGRAMMING

Welcome to LSAMP!

Come meet the Deans and build a community of support

The Louis Stokes Alliance for Minority Participation (LSAMP) program at UMBC is funded by the National Science Foundation (NSF) and intended to support historically underrepresented students in the STEM fields. At this session, you will hear from the Deans and student leaders on how to make the most of your first year on-campus!

Wednesday, September 25 2019
