

Volunteers needed for the Maryland *FIRST* LEGO League State Championship!

WHEN & WHERE:

- Saturday Feb. 23, 2019 at the *FIRST* LEGO League State Championship at UMBC-Catonsville. Times vary by role.

VOLUNTEER ROLES:

- A complete list of roles and times is [HERE](#).
- **Judges** interview and evaluate teams based on listed criteria and deliberate as a group to decide the teams most deserving for trophies. Both technical and non-technical skills welcome. Robotics background not required.
- There are also many other logistics roles.

HOW TO SIGN UP TO VOLUNTEER:

- [3-MINUTE SIGN UP LINK HERE](#) (For *FIRST* LEGO League State Championship only)
- **NOTE:** If you plan to volunteer for additional events in *FIRST*, consider registering in the national *FIRST* Volunteer Registration system to help with signing up for future events: <https://www.firstinspires.org/ways-to-help/volunteer/event-volunteers>
- Signing up in the *FIRST* Volunteer Registration triggers free screening through the *FIRST* Youth Protection Program. You will then be able to sign up for events and roles.

TRAINING: Training materials available in advance on-line & orientation on-site. All assigned volunteers will receive a comprehensive Volunteer Welcome Packet with all the details of the day.

ABOUT THE *FIRST* (For *Inspiration and Recognition of Science and Technology* PROGRAMS)

- [FIRST LEGO League](#) provides students age 9-14 with a hands-on, interactive robotics program in a sports-like atmosphere. Teams of up to 10 players focus on team building, problem solving, creativity, and analytical thinking to develop solutions to a problem currently facing the world – the Challenge.
